Application Form

Proposal Information

Below you will find a series of questions related to your request for funding. When considering responses for the narrative questions, please disregard the character limits shown - our goal is to allow as much or as little space as needed, noting that brevity is always appreciated.

Please note that your work will be saved as a draft until submitted via the Submit button at the bottom of this form.

If you have questions related to the content of your proposal, please contact Elizabeth Love (elove@jthershey.org). For technical questions related to completing your application, please contact Deborah Mueller (dmueller@jthershey.org).

Does your organization currently have a final report outstanding for a previous grant? If so, please ensure that the final report for that grant has been submitted within a week of submitting this application; a final report on any outstanding grant is a requirement before a new application will be considered. To determine if there are any outstanding reports, access your dashboard (press the house icon in the menu, above) and look in the Active Requests tab - if there is a grant with a Final Report (listed under Follow Up Forms) that has a status of Assigned, then the final report for the grant needs to be submitted.

In the original letter of inquiry for this proposal, you were asked if this is a fiscally sponsored proposal (your answer is shown below). If this is a fiscally sponsored proposal, the application must be submitted by the fiscal sponsor. Please contact Deborah Mueller (dmueller@jthershey.org, 713-529-7612) for further instructions on additional documentation that is required.

Is this a fiscally sponsored proposal?

Fiscal sponsorship is when a person or group that doesn't have tax exempt status (the sponsored project) works with an organization that does (the fiscal sponsor) so as to receive tax exempt donations and grants for the sponsored project. If the work you are requesting funding for is not a program or project initiated by the organization applying for the funding, then it is likely a fiscally sponsored project. Please contact Deborah Mueller (dmueller@jthershey.org, 713-529-7612) if you have questions or need to discuss.

Organization Information

Board roster or proof of governmental status (*File Size Limit: 2 MB*)

If your organization is:

- a nonprofit, please provide a roster of your current board members. Also include your advisory board, if you have one.
- a governmental entity, please upload documentation of this status (e.g. a letter from an authorized government official, a copy of the legislative act creating the government body, or an IRS government affirmation letter).

Percent of your board that supports your organization financially* (*Character Limit: 3*)

Please give the percentage of your board members that have donated money or secured contributions to your organization during the previous fiscal year (please note, we are not asking what *amounts* your board has contributed or secured); in-kind support may not be included in the calculation. If your organization is a governmental entity, enter 0.

Example: There are ten members of DoGoodOrg's board - eight of them donated money to the organization in the previous fiscal year, and one secured a contribution from her employer, so the percentage of DoGoodOrg's board that supports the organization financially is 90.
